DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 and 114-116 are allowed.
2. The following is an examiner's statement of reasons for allowance: Upon review of the application filed on 11 April 2001 and the prior art of record no method of making an ammunition article exists comprising the steps of: injection molding plastic around at least a portion of a projectile to form a tubular plastic cartridge casing body having a first end closed only by the projectile and a second end.

This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
